

School Calendar

The Daylight International School operates a School Term of thirteen (13) weeks on the average. Some School Terms, however, cover more than thirteen weeks depending on when the School re – opens and vacates.

The School does not break for long holidays. This approach keeps the children safe at School to learn and fruitfully engaged whilst their working mothers and fathers do have reasonable space, the comfort and peace of mind to go to work.

The School Calendar of the First Term of the 2014 / 2015 Academic Year is as follows:
